

Bryston Editor Choice Awards 2009

Memo: To all Bryston Customers

Subject: Absolute Sound Magazine Editors Choice Awards 2009

Bryston is very pleased to announce that the following products have received **EDITOR CHOICE AWARDS** in the September 2009 issue of Absolute Sound Magazine ”

Bryston 28B SST-2 Amplifiers

“The best transistor amplifier ever from Bryston. Dynamic headroom to spare not to mention considerable neutrality and little character of its own.”

Harry Pearson – Absolute Sound

Bryston BCD-1 CD Player

“A CD Player for the ages. The Bryston CD Player is truly reference caliber.”

Alan Taffel – Absolute Sound

Bryston BDA-1 External DAC

“AT’s new reference DAC. The Bryston BDA-1 reveals previously unattainable (from Digital) worlds of information about the sound and performance of the music it plays”

Alan Taffel – Absolute Sound
