

Memo: To All Bryston Customers
Subject: SP2 Gets Runner-Up Product of The Year in Stereophile

November 22nd 2006

Bryston is pleased to announce that the **SP-2 Preamp/Processor** received a runner-up award in the December issue (pg. 62) of Stereophile Magazine for **THE BEST AUDIO PRODUCTS OF 2006.**

The award is given for what the reviewers feel are the best sounding Multichannel Components of 2006.

So if **SOUND QUALITY** is your priority check out the Bryston SP-2 Preamp/Processor.

James Tanner,
Bryston
